Please select ONE of the following options:

_____ **I am trying out for VARSITY ONLY** and understand that if I do not qualify for the squad, I will not be placed in a position on Junior Varsity. I also understand that, if I qualify for Varsity, I will be a part of the KSHSAA State Game-day Cheer Competition Team, as well as the regular competition squad, and will be required to compete in November as well as be placed in the 7th hour cheer class (fall only).

_____ **I am trying out for JV and/or Varsity** and understand that by marking this option, I may be placed on JV if my score is deemed insufficient for Varsity. I will not contest this decision, and I will uphold my obligation to remain on the team as a JV cheerleader.

_____ **I am trying out for JV ONLY** and understand that even if my scores qualify me for varsity, I will not be placed on the varsity team because I do not wish to be on varsity at this time (either due to personal preference or time constraints, etc.).

Please select check the following option if and only if you are able to take the 7th hour cheer class!

_____ **I would like to be considered for the State/Competition Squad (7th Hour Class Required)**

Any cheerleader who makes the Varsity game-day squad and marks this option will automatically be placed in the 7th hour class for the state & competition team. If you mark this option and make either JV or Freshman squad (or if you do not try out for the game-day squads), there will be a separate informal competition squad tryout before the end of the school year (date TBD). **The number of additional cheerleaders selected for competition is **at the discretion of the cheer coach**, and will be based on the needs of the routine for stunt groups, tumbling, or dance. By marking this option, you understand that you will be required to attend all competition squad practices beyond the 7th hour class, as well as participate in competition and state performances throughout November/December/January.
